President

Mr. F R Singhvi

Message From President

Passing the baton fills me with pride. We've done more than train thousands—we've impacted lives, nurtured leaders, and protected values that will outlast us. Let's keep sharing our skills and support, so everyone can grow and succeed. Together, we build a stronger community.

CEO

Mr. ARINDAM LAHIRI

Message From Ceo's Desks

Empowering Our Youth with Essential Skills
Equipping our youth with the necessary skills is vital. The launch of PM Kaushal Vikaas Yojana 4.0, which focuses on forging industry partnerships and aligning courses with industry requirements, represents a significant advancement in training the Indian youth in modern disciplines like robotics and mechatronics—skills that are critical for thriving in Industry 4.0.

This handshake between **ASDC and Toyota Kirloskar Motor** symbolizes more than just an agreement; it's a shared commitment to a vision. A vision where every aspiring technician, especially from rural India, has access to world-class training and the opportunity to build a successful career. This partnership will not only elevate individual lives but also fuel the engine of India's automotive industry with highly competent, future-ready talent.

FEATURE STORY

strategic partnership between **ASDC and Phillips Education**.

This collaboration marks a pivotal moment for the future of automotive manufacturing in India. Together, we are committed to building a world-class, skilled workforce by integrating advanced technology and hands-on training.

This is more than just an agreement; it's a commitment to empowering our youth and driving innovation for a stronger, self-reliant India.

Future in Automotive AC System Starts Here.

Industry-leading certification course brought to you by **ASDC (Automotive Skills Development Council) & Eicher**, and recognized by NCVET and Skill India. Transform you into a true AC expert. You will gain deep knowledge of all key components—from the compressor and condenser to the evaporator—while demystifying the complete refrigeration cycle and the science that powers it. You'll then translate that knowledge into critical, hands-on proficiency, developing skills in expert installation, precision servicing, and rapid troubleshooting for any issue.

ASDC & Eicher bring to you
Automotive Air Conditioning System

This course helps you understand the complete vehicle AC system

- ✓ Learn about key components: compressor, condenser, evaporator
- ✓ Understand the refrigeration cycle and AC working principle
- ✓ Gain skills in installation, servicing, and troubleshooting
- ✓ Learn safety practices and maintenance procedures

Boost your career with an ASDC certified course

LEADERSHIP

Expert Group Meeting for Q2, a pivotal discussion focused on one of the most critical areas of the automotive industry's transformation: "Skill Requirements in EV Powertrain System." As the electric vehicle landscape evolves, it is imperative that our workforce is equipped with the right skills. This hybrid event will bring together leading minds from academia and industry to deliberate on the curriculum, training methodologies, and standards needed to build a future-ready talent pool for the EV sector.

INDUSTRY HIGHLIGHTS

ASDC was proud to participate in the **CBSE 3rd National Summit**, an event dedicated to advancing skill education at the school level. Our stall became a hub of curiosity and learning, where we showcased the latest advancements in automotive technology to students and educators. A major highlight was our interactive EV Trainer Kit, which provided a hands-on demonstration of electric vehicle components and systems.

PROJECT UPDATE

ASDC, in partnership with Hero We Care, successfully organized a Job Fair in Hajipur under the banner of Project Saksham. The event served as a dynamic platform to connect skilled and certified candidates with promising employment opportunities in the automotive sector. The enthusiastic participation from both job seekers and leading employers made the fair a resounding success. Project Saksham is a testament to our unwavering mission: not just to skill individuals, but to create clear pathways to sustainable livelihoods and empower communities from the ground up.

Inauguration of the **Victoria Skills Centre of Excellence** in Faridabad

In a significant step towards building a world-class skilling ecosystem, ASDC, in collaboration with the Victora Foundation, proudly inaugurated the Victora Skills Centre of Excellence in Faridabad.

This state-of-the-art facility is designed to provide advanced training and hands-on experience in cutting-edge automotive technologies. By establishing this Centre of Excellence, we are creating a powerful platform to bridge the gap between industry demands and talent availability.

TRAINING EXP

We extend our sincere gratitude to the Victora Foundation for their partnership in this transformative initiative. Together, we are committed to empowering our youth and driving excellence in the Indian automotive industry.

NAO 2025
QUALIFYING ROUND RESULTS ANNOUNCED

Results Declared
The Qualifying (1st) Round of NAO 2025, conducted on 18th August 2025, has been successfully concluded.

CONGRATULATIONS TO QUALIFIERS

We extend our best wishes to all participants who have cleared this stage and look forward to their continued journey.

NEXT STEPS

Details for Round 2 will be announced shortly. Stay connected for updates.

NAO 2025 – Building Skills for the Future

Qualifying (1st) Round of NAO 2025 have been officially declared! The first stage of this thrilling competition, successfully conducted on the 18th of August 2025, saw an incredible display of talent and enthusiasm from students nationwide. We extend our warmest congratulations to every participant who has successfully cleared this competitive first round. Your hard work, knowledge, and passion for the automotive world have truly shone through.

SKILL INITIATIVES

Quality and integrity are the cornerstones of the ASDC certification process. To ensure our standards remain unparalleled, we recently conducted a comprehensive **Assessment Agency Review Session**.

This virtual meeting brought together our valued partner agencies to discuss best practices, review assessment protocols, and align on strategies for maintaining the highest quality of evaluation. These collaborative sessions are crucial for ensuring that every ASDC certification is a true hallmark of skill and competence, trusted by the industry nationwide.

NEWS HIGHLIGHTS

Happy Independence Day from ASDC!

As we celebrate the pride and glory of our nation, ASDC extends its heartfelt wishes on Independence Day. Today, we honour the remarkable journey of India—a nation built on courage, resilience, and the collective dreams of its people. We are proud to contribute to this journey by empowering the youth with skills that drive the automotive industry and, in turn, propel the nation's growth.

HIGHLIGHTS OF

Jan Bhagidari Activities under The Har Ghar Tiranga Campaign

HIGHLIGHTS OF

Jan Bhagidari Activities under The Har Ghar Tiranga Campaign

ASDC was honoured to participate in the **'Har Ghar Tiranga'** campaign through widespread Jan Bhagidari (people's participation) activities. Embracing the spirit of patriotism, our teams, trainees, and partners across the country came together to celebrate our national flag. These activities were a vibrant expression of our collective pride and a testament to our commitment to nation-building. Beyond skilling, we believe in fostering a deep sense of community and national identity. We are proud to have been a part of this inspiring movement.

OCCASION ONE

ASDC wishes everyone a very **Happy Raksha Bandhan!**

This special day celebrates the cherished bond of love, care, and protection. May the thread of Rakhi strengthen our relationships and foster a spirit of unity and support within our communities and workplaces.

On the auspicious occasion of **Ganesh Chaturthi**, the Automotive Skills Development Council (ASDC) extends its warmest greetings to you and your loved ones. May Lord Ganesha, the remover of obstacles and the harbinger of new beginnings, bless your endeavors with success, happiness, and prosperity. Let this festive season inspire us all to drive forward with renewed energy and innovation.

The momentum for the **ASDC Annual Conclave 2025** is building, and we are thrilled to share some exciting news! This landmark event, guided by the theme "Stronger Together, Transform Tomorrow," is dedicated to fostering collaboration and innovation across the automotive skilling ecosystem.
